Dear participants of Art Contest 2009!

Thank you for uploading your art works. Children from all over the world participated in this art project. We have received marvelous pictures from United States, Canada, China, Israel, Thailand, India, Serbia, and Great Britain.

Our Judges are working hard to find the winners, within about a month we will hold a celebration and award ceremony where we will announce our winners. We will send prizes to children who can not attend the ceremony. More detailed information about this event would be published on the web site shortly.

We are welcome dance and music schools to perform of this happy event. Please contact us if you are interested.

In the meanwhile you can stop voting on the pictures and start preparing your art works for our new competition.

The subject matter for this contest is "self-portrait".

Welcome to children gallery web site

In our studio students not only learn techniques of drawing, they also develop their self esteem, creativity, imagination, and the ability to express themselves through art. Groups are not larger than 6 students at ones; from time to time we hold events such as art contests, art marathons and art exhibitions with larger audience.
